

Task: Planning a Class Website Project

Your group has to design a simple website for your class.

You must decide:

1. What type of website you will make
2. What features it will have
3. Who will do each part

Use English to make suggestions and agree on your ideas.

Useful Language

Making Suggestions:

- How about creating a website for...?
- Why don't we make...?
- Let's add a section for...
- We could design a page with...
- Maybe we can include...

Agreeing:

- That's a great idea!
- Yes, I like that.
- Sounds perfect!
- Let's do it.

Disagreeing / Alternatives:

- I'm not sure about that.
- Maybe that's too difficult.
- What if we do something simpler?
- I think this idea is better because...

Example Dialogue

A: *How about creating a website for our class projects?*

B: *That's interesting, but it might be a bit complicated.*

C: *We could make a simple portfolio with photos and links.*

A: *Yes, good idea! Let's also add a contact form.*

B: *Perfect. I can design the homepage.*

C: *Great, I'll work on the gallery.*

Your Turn

Write your own dialogue below (6–8 exchanges). Include at least **three suggestions and one disagreement.** Describe your website in English. Then present your dialogue and design to the class.

A:

B:

C:
